Good morning, Magali-

I just wanted to let you know that my case scheduled in Springfield for today was resolved short of trial, and that my New Bedford case (also for today) has been continued, so if you need me for the Juan Pinero, I am available whenever you need me. Hope all is well in Holyoke.

Thanks for your e mail. Don't worry about the Miranda case. She provided a prescription for the Class E and Class C pills. So, we are not going forward on those counts. Thanks.

Hi Magali-

I just wanted to let you know that I received your summonses for the Juan Pinero (#1017-03300) and Rosa M. Miranda (#1117-00238) cases scheduled for trial on 8/10/11, and that I may have a scheduling conflict as I am also scheduled to be in Springfield and New Bedford that day. I have not contacted the ADA's yet, but my guess is that I will be on call and not needed until after the lunch break for the New Bedford case.

Also, there were no drug lab numbers listed for the Miranda case - would you mind providing them to me so I can look over my notes? Thanks.

-Sonja
